This week’s feature: *Ken and Diane Joseph*

Ken and Diane Joseph came to Prince of Peace Lutheran Church by way of St. Andrew Lutheran Church, when that congregation chose to merge with POP.

Ken was born in Cloquet, MN, a town of about 12,000 people which is just west of Duluth, MN, which is located on the far west tip of Lake Superior. After high school Ken attended and graduated from the University of Minnesota with a BS in Education. He then did graduate work at Western Michigan University obtaining a master’s degree in math. Diane was born and grew up in Findlay, OH. She got her BS in Elementary Education from Bowling Green State University and went on to get her master’s degree in Reading.

Ken was a math teacher for a number of years and then worked as a representative for the Ohio Federation of Teachers Union. Diane was a second grade teacher. They were married in 2008, and they met through work.

There are five children: Julie is 61, Tom is 59, Jill is 57, Jennifer is 55 and Jane is 51 years old. They are all Ken’s children from a previous marriage. Ken had one brother, and Diane comes from a larger family, and has two brothers and three sisters.

They love the Cleveland Indians, and attend numerous games each year. They also love to watch their granddaughter, Alex, play on the Baldwin Wallace University women’s softball team. They are active in the Playhouse Square Broadway Series, and they love to travel.

Ken and Diane currently live in Findlay, OH full time, but do get to church when they are in Cleveland. They attend the Contemporary Service. I love these two beautiful people, and you will as well when you meet them at church (when they are in town).
