### Young at Heart Lunch

Please join us on Friday, January 23, 2026 at 12:30 pm. We will be enjoying good food and fellowship at Mahle's Restaurant & Lounge located at 24945 Detroit Rd. in Westlake. Please add your name to the signup sheet in the lower lobby. Questions, contact Kathy Kettler at 440-734-6511 (home) or 440-825-2674(Cell).

### Hope for a Cure with Claire

I'm thrilled to announce my leading in Blood Cancer United's, formerly The Leukemia & Lymphoma Society, Student Visionaries of the Year campaign. This 7-week philanthropic competition empowers high school leaders to make a real difference in the fight against cancer. This is a cause close to my heart; blood cancer, especially leukemia, is the most prevalent form of cancer diagnosed in children and young adults. Sadly, I've experienced this loss firsthand, losing my paternal grandmother, Bonnie, in 2016 at the age of 67, and my maternal grandmother in 2023, just 13 days after her diagnosis and her 79th birthday. My team's fundraising goal is \$80,000, running from January 23rd to March 14th. I'm personally committed to raising \$10,000 towards this important cause. I can't do it alone –

I need your support! To learn more and please consider donating through my personal fundraising page: <https://pages.ils.org/svoy/noh/svoynoh26/cwenham>

### Palms

Bring in your palms by February 15. Altar Guild is collecting your dried palms from past Palm Sunday celebrations. Please place them in the basket on the table in the lower narthex. The palms are burned to make ashes for use at our Ash Wednesday worship services.

### Giving Statements

Your annual giving statement was emailed January 16th or mailed January 20th. If you need a copy, please contact the church office or email [secretarypopfinancial@gmail.com](mailto:secretarypopfinancial@gmail.com).

# CHILD CARE FACILITY

Dear Members of Prince of Peace,

My name is Dan Fronczak and my partner in crime is Jerry Karp. We would like to find fellow members to explore using our church building as some form of child care facility.

We feel that this is in line with our mission Statement and reaching out to the community. Congregational council has approved an exploratory committee.

We are at the starting point. As of right now, we have made no decisions or direction other than to form a committee to explore the idea. We have been told by other people and a church in our area that this could be a beneficial and continuing source of revenue for Prince of Peace.

If you would like to join us in exploring all aspects of having child care at our facility, please let me or Jerry know. Our first informational meetings are scheduled for Tuesdays, February 10, February 17, and February 24, at 7pm at the church. Please let me (440.221.6411) or Jerry (440.653.3196) know if you plan to attend.

**Project Update** - Thank you for the enthusiastic response to this project! Approximately half of the item gift tags have been sponsored to date. Please note, congregants are also welcome to create their own tag, listing any donation amount. We are also pleased to announce the Prince of Peace Endowment Fund has approved our grant request and will match our gifts up to \$3500. Please give generously as we make these houses a place called Home, filled with hope, stability and love!

**Project Info** - Lutheran Metropolitan Ministries continues their amazing work and has recently finished construction of four solar- powered small homes to help address Cleveland's housing crisis and serve those in greatest need. These innovative small homes feature state of the art energy-efficient systems and offer independent living with a full kitchen and bathroom. Prince of Peace congregants are invited to further our work as a faith partner and help transform these houses into true homes filled with hope, stability and love!

#### Take a Tag, Fill a Need

Please view the LMM Transforming Houses Into Homes display in the upper lobby and consider sponsoring an item for the homes. A total of 69 items have been identified by LMM as needed, ranging in price from \$13 for a pack of hangers to \$374 for a small couch. Please return tags with funds to the display collection box by January 31. Cash, check and Tithely are accepted. Checks should be made out to Prince of Peace; if using Tithely, enter "LMM Homes" in the memo. Donations of any denomination are also gratefully accepted.

#### Endowment Matching Funds

The Prince of Peace Endowment Fund has approved a grant request for this project and will match our gifts up to \$3500. Please give generously as we make these houses a place called home, filled with hope, stability and love.

# Peace Pavilion Project and Capital Campaign

*Progress, Gratitude, and the Final Push*

## Introduction

The Peace Pavilion Project stands as a testament to our congregation's vision, generosity, and enduring commitment to creating a space for peace, reflection, and collective spiritual growth. What a wonderful example of abundance and engagement. **THANK YOU!**

## Project Completion and Remaining Expenditures

Milestone Achieved: **The Peace Pavilion Construction is complete and on budget.** This achievement would not have been possible without the dedication of all involved—donors, volunteers, staff, and our project partners. The Pavilion's completion marks a significant chapter in our church's story and sets the stage for the community to enjoy this lasting resource for years to come. Our ability to host the community Vacation Bible School, the Jazz Heritage Orchestra, and the Jungle Bob event this year are wonderful examples of Prince of Peace in action; fully utilizing the power of this asset. Programming for 2026 is advancing well and promises an active usage of the pavilion this year.

Outstanding Expenses: Our remaining expenditure is the interest associated with our project financing. We are now focused almost exclusively on reducing and eventually eliminating our financing burden.

## Financial Update: Spending and Principal Paydown

Principal Reduction: As previously discussed with the Church Council, we paid \$120,000 of loan principal in July taking our loan balance down. With our ongoing payments, our loan balance at the end of 2025 is \$142,834. This significant paydown resulted in immediate interest savings and will accelerate our path to our goal of a three-year loan payoff. Our plan is working, and your generous support has made this progress possible.

Future Loan Paydowns: Looking ahead, we anticipate another substantial loan paydown in 2026. Reducing our principal in large increments not only minimizes ongoing interest costs but also demonstrates our church's strong fiscal responsibility and unity of purpose.

## Funding Sources: Gratitude and Recognition

Our progress has been made possible through a combination of generous individual contributions, memorial gifting, endowment grants, and budget redirects. Every single gift, whether large or small, pledged or already collected—has been crucial. We offer heartfelt thanks to all donors for their trust and investment in this transformative project.

Thank You to Our Supporters:

- To the early visionaries who gave our campaign its momentum
- To those who met and exceeded their original pledge amount
- To all who gave their time, talents, and treasure
- And to every volunteer and advocate who shared our story far and wide . . . let's keep it up!

Your generosity is not only financial—it is a demonstration of belief in our shared mission of Prince of Peace and the future we are building together.

## Giving Progress

Narrowing the Gap: We are thrilled to report that, thanks to an uptick in giving, significantly by some members beyond previous pledge amounts including our summer matching campaign, our funding gap has narrowed considerably. **Today, we are thrilled to report that our gap is less than \$10,000 of non-pledged giving.** This is an extraordinary accomplishment and a clear reflection of the congregation's commitment.

That said, **approximately \$47,000 in outstanding pledges remain.** We will be following up with members to confirm these pledges in 2026 and 2027. The timely collection of these pledges is critical for several reasons:

- It allows us to reduce our financing costs, saving resources for programming and future needs.
- It demonstrates our collective reliability to foundations and future partners.
- It helps us reach our goal of making another significant loan paydown in July 2026.

Expediting Pledge Fulfillment: **We kindly ask all those with outstanding pledges to consider advancing their gifts wherever possible. The sooner these funds are collected, the more we will reduce our interest costs.**

The Peace Pavilion now stands as a living monument to what we can achieve together. As we move forward, let us celebrate how far we've come and remain focused on finishing strong. With your help, we will close our fundraising gap, pay down our financing, and continue to build our new chapter of service, reflection, and unity for our entire community.

**THANK YOU** for your steadfast support, your belief in our vision, and your commitment to leaving a legacy of peace.

In His service, The Peace Pavilion Committee
