Prince of Peace Ministry of the Month ~ Second Harvest Food Bank

Every month, Prince of Peace will feature one of our engagement ministries. We will share information about the ministry and let you know how you can get involved. For the month of May, the ministry to be lifted up is [Second Harvest Food Bank](#).

Ongoing hardship, coupled with the rising cost of food, housing, and other basic needs, has many of our neighbors struggling to make ends meet. Right now in our community, more families than ever before are wondering where they will get their next meal. With your gift to Second Harvest, they can put food in the hands of those who need it most.

Every donation helps strengthen their efforts; for every \$10 donated Second Harvest can provide 50 meals to families struggling with hunger in our region. [DONATE NOW](#)

Interested in volunteering with Second Harvest? The schedule for volunteer events in the RePack Room are updated every Friday in Cervis, a volunteer event portal. Majority of Second Harvest's volunteer opportunities are packing assorted boxes of shelf-stable food in order to meet the increased need in our community. [SIGN UP](#)

At Prince of Peace, every quarter we collect the following requested items:

- January-March: canned beef stew and canned vegetables
- April-June: canned tuna fish and canned fruits
- July-September: peanut butter and canned meats
- October-December: cereal and canned Soup

Our collection containers are located as you enter the Education Wing.

In the first three months of 2022, Prince of Peace has donated 305 pounds to Second Harvest Food Bank! You have brought a small measure of peace, comfort and hope to families in our area who are in need. Please continue your donations in 2022 so we can continue to help. Thank you!

The Food Bank is located at 5510 Baumhart Road, Lorain, OH 44053. ***Our goal is to supply one ton annually to the Food Bank.*** For more information and to learn how to volunteer, contact Charlie Koch: cakoch13@aol.com

Urgent: Ukrainian Families Need You

Dear Prince of Peace Lutheran Church,

Although the situation in Ukraine is changing every day, I have an update for you on our response efforts.

Right now, our teams are working with partners in and around Ukraine. [Your emergency gift today](#) will deliver urgent support and care, like:

I will continue to keep you updated on the situation as it unfolds. Please keep praying with us – [and please reach out to neighbors in need with an emergency gift.](#)

In Faith,

Ambassador Daniel Speckhard

February 2022 Health and Safety Update

COVID-19 UPDATE

The Health and Safety Team met on February 26 to discuss the latest information from the CDC and reviewed our guiding principles.

On February 25, the CDC revised its guidelines regarding mask recommendations. Instead of basing mask recommendations solely on caseload, the guidance also will consider hospitalizations, current beds by COVID patients and hospital capacity.

In the past couple of weeks, the caseload and hospitalization numbers in our community have greatly improved, and based on this new guidance from CDC, our county and surrounding counties are communities where the CDC suggests masks be optional for gatherings.

Our two guiding principles at Prince of Peace Lutheran Church remain the same:

1. To proclaim the Gospel of Jesus Christ in Word and Sacrament, carrying out God's mission as God leads.
2. To be mindful of the health and safety of all.

Based on these factors, we are changing our congregational protocols to be "mask optional", effective immediately. Those who wish to remove their masks in the church, classes, meetings, and gatherings may do so; those who wish to keep them on may also do so. We have a wide range of risk tolerance and health needs in the congregation, and our aim is to provide as many options for people to participate as we can, both in person and virtually.

High priority ministries that include individuals who may have increased risk will continue to be supported by wearing masks. Communion servers and the pastor will wear masks during the distribution; nursery volunteers will wear masks.

We encourage the following:

- If you are sick, please stay home. Whether you suspect a cold or flu, COVID or something else, and you show symptoms, please stay home and work on getting well!
- If you test positive for COVID-19, please let us know. As members of the church family, we want to offer any support we can. As with any health information, we will keep your information confidential.
- If you were exposed to someone who tested positive for COVID-19, please consider wearing a mask to protect the possible spread to others.
- Be considerate of those who continue to wear masks. There are many reasons why masks are still the best option for many in our community.
- In all these things, we love one another through these challenging days!

Remember that worship is live streamed every Sunday at 9 am and 11 am on our YouTube Page, so that everyone can join in worship!

The pandemic has tested our patience and resilience, and we appreciate the ways in which the people, leadership, and staff of Prince of Peace have supported each other through the past two years.

God bless you all.
