

Kelly & Hailey Desmond

THIS WEEK'S PROFILE

Hailey was born in Columbus, Ohio. She grew up in Westerville, Ohio with one brother, who is 4 years younger in her family. After graduating from the local high school, she enrolled in Otterbein University in Westerville and majored in Business Administration. The university was founded by the Church of the United Brethren in Christ. Her husband Kelly and her grew up in the area together and reconnected after college.

After receiving her degree, Hailey started working in the insurance industry right after school. She moved to Denver, Colorado where she worked for Nationwide Insurance . After a period of time, they moved back to Cleveland for her husband's job. She continued her career with Liberty Insurance until having children. Once they started a family, Hailey stayed home a few years with them.

Currently, they have 2 children, daughter Finnley is 6 years old and enjoying kindergarten! Their son Brecken is almost 4 in May, and loves preschool at Bay Presbyterian Church! Hailey began working at Prince of Peace about a year and a half ago as the Communications Director. She has found the entire staff and congregation to be very supportive and caring.

Taking time for relaxation is important to Hailey. She is an avid reader. She loves to read and listen to audiobooks and is always open to a good suggestion! She enjoys running and all things outdoors! As a family, they do a lot of hiking and paddleboarding. Volunteering as a soccer coach and serving in early childhood PTA and elementary PTA are also interests of hers. She is obsessed with travel and they try to get away as much as they possibly can, even on small trips when they can.

Hailey has brought our communications efforts into a new level that serves us well! She has designed a robust outreach on several social media platforms that include regular newsfeeds and posts to keep members and the community "in the loop ." The weekly "Peace Connections" newsletter now has a very professional look. Hailey's talent is putting our church in a great position for the future!
