Tables for Eight

Tables for Eight (T48) was created to help build our church community one relationship at a time. We reshuffle the groups 3x annually and now is that time. We encourage the groups to get together once a month so that everyone has an opportunity to host their group. Hosting could be a gathering at their house with everyone contributing something to the event. It could also be to do a group outing to plays or musicals, playing putt putt or shuffle board, going out to eat, or attending Open Mic night. We want everyone to have an opportunity to get to know each other without placing much burden on any one person or couple. If you are currently participating in T48 and want to continue, there's no need to do anything. If you are participating and are unavailable to continue or are not participating and want to, please let Dave or Jan Saunders know. If you have any questions, please ask Jan (jan.saunders.art@gmail.com) or Dave Saunders (david.w.saundersoh@gmail.com).

Women in Transition

We would like to ask for donation items for Women In Transition. The items needed are: personal care items (including tampons, pads etc), toiletries (deodorant, toothpaste, toothbrushes, hair brushes, hand cream, shampoo & conditioner etc), underclothing (bras, panties and socks ONLY... no clothing), and umbrellas. These women often walk to the bus stop and umbrellas are a wonderful item to have!

You may leave these items in the donation center. Thank you! With questions, please email Melody at affwintre@gmail.com.

Thank you for the generous donations too And that we will be delivering the items in a few weeks to LMM. So please, keep them coming

Foodbank Help Day

Prince of Peace has an opportunity for members and friends to help out the Second Harvest Foodbank at 5510 Baumhart Road, Lorain, Ohio 44053 on Monday, October 19, 2026. We will meet at the Foodbank at 5:00 pm for pizza and at 5:30 pm begin sorting and repacking donated food items until 7:00 p.m. It is a fun experience with tasks for all. Volunteers must be 16 or older per the Food Bank's policy.

We are looking for up to 15 people to help out that evening. Please contact Charlie Koch at (440) 478-9235 or email him at cakoch13@aol.com to let him know you are planning to attend. You can also use the sign-up sheet in the lower narthex. A link to sign up as a volunteer on the Second Harvest web site for this repack day at secondharvestfoodbank.org will be provided as we get closer to the repack day.

OMNI is devoted to sustained improvements in the lives of orphaned and vulnerable children in Zambia, Africa through medical care, education, and community development in an atmosphere of Christian faith and hope that is respectful to indigenous cultures.

OMNI's serves those children with the greatest financial need whose families cannot afford the expenses of public schools. Nearly all of our students live in the George Compound – a small village located near the eastern edge of OMNI's property. With the help of our loyal sponsors, our children receive a quality education, school supplies, a daily hot meal, uniforms and shoes, clean drinking water both at home and at school, chemically-treated anti-malaria nets for sleeping, medical care, and Christian guidance from our dedicated staff. OMNI School is currently serving over 300 students.

“OMNI school home feeding support program is helping to change people's lives and aids in managing the absolute poverty levels faced by the people of George compound and the whole country. Before the home feeding support program was introduced we received reports from teachers that learners collapsed in class during lessons due to hunger as they could go for days without eating anything at their homes. Most children depend on the hot meal provided at school every day during school hours, but most could face challenges over the weekends.

At present Zambia is the 6th poorest country in the world, according to the World Bank. This is being driven by high levels of food insecurity, high cost of living, and significant hours of no power supplies just to mention a few items impacting our community and country.

Clean drinking water is one of the serious concerns for our community as there is no running water from the taps in the village. People get their drinking water from make shift wells which contributes to an increase of water borne diseases as pit latrine toilets are so close to the water sources. OMNI school helps to manage this very difficult water situation by providing clean water to the community of George from the water source at our two boreholes. (one electrical and one solar water pumping system).”

GOD'S WORK OUR HANDS

FRIENDSHIP ANIMAL PROTECTIVE LEAGUE

Dear Prince of Peace Family,

Thank you for your donations to Friendship over the past year! Because of your generosity, animals who arrive frightened, hungry, and unsure are met with warmth, medical care, and compassion.

Abandoned dogs discover soft beds and second chances. Cats who once knew only survival learn what safety feels like. None of this happens without you.

Here are just a few highlights from 2025 that YOU made possible:

- Our humane officers responded to 556 calls, resulting in 1,710 animals being rescued from cruelty and neglect
- Volunteers donated 32,637 hours of their precious time to support our mission
- 4,996 animals found loving homes with new families
- Cats and dogs found homes three weeks faster than the national average
- 1,410 animals received temporary care through our growing foster program
- We provided sanctuary to 16 pets whose owners were fleeing domestic violence
- 321 families received dog and cat food during times of need

This year, we will expand our reach by offering low-cost vaccinations and spay/neuter services to hundreds of deserving animals in our community. As a nonprofit dedicated to the welfare of all animals, Friendship relies on contributions from individuals like you to survive. So, on behalf of the Friendship staff and volunteers and the thousands of animals who can't speak for themselves, Thank You.

Bible Study

THE DIVINE DRAMA

Pastor Doug's Bible Study starts Tuesday September 8th moving to the library at 7pm. Wednesday September 9th is moving to Fellowship Hall at 2pm. If you still need a book please contact Adrienne in the office.

A Challenging but grand story that unfolds in the Bible's 66 books, from Genesis to Revelation. That story is not a remote one. It is present and ongoing. All who live on Planet Earth are involved in it. That story has to do with God and you, God and me. God and everyone.

The story tells about God's original and good plan for creation and humanity- and about humanity's pride, rebellion, sin, ignorance, and folly. But the focus is on God's forgiving grace- grace stops at nothing to restore the relationship between God and humanity- in time and for all eternity. You and I are at "center stage" in this Divine Drama- whether we know it or not, or whether we want to be or not.

Our Narrative equips people to understand the Bible's key themes and teachings, such as the Trinity (Father, Son, & Holy Spirit), Sin & Grace, The Church & Worship, Prayer & the Lord's Prayer, Holy Baptism & Holy Communion, Stewardship & Life Management, and, finally Eschatology (or "The Last Things")

Throughout, students learn how the events of the Old Testament all connect and set the stage for the life and mission of Jesus the Messiah, as revealed in the New Testament. They also learn what it means to know Jesus the Messiah as Savior, and to follow Him as Lord in servant- discipleship.

Bible Study Book is \$22
