

“Member Profile”

This week’s feature: *Megan Harber*

A newcomer to our church support staff is Megan Harber. Megan staffs our nursery and looks after our young ones during church service. She was born in St. Paul, Minnesota, and grew up in St. Paul and Rochester, Minnesota. She attended Wittenberg University in Springfield, Ohio. She had started as a nursing major but transitioned to a sociology major, also taking additional classes in educational studies. She has recently taken a new fulltime job at Acorn Child Center in Avon. The Acorn Child Center is in the Avon Oaks Assisted Living and Nursing Home. One of the great advantages of this location is that the children can sometimes interact with the elderly folks living at the Center. Other previous jobs have all been with children, including working at a YMCA, being a nanny and manning the nursery for other churches. She is hoping to become a child advocate attorney, and therefore is planning to go on to law school.

Megan has a younger brother and sister. She also has an older stepbrother and stepsister from her father’s second marriage. She says that she was the oldest and now she is the middle of the five. Her mother is a Pastor of an ELCA Lutheran Church in Rochester, Minnesota. Her father now lives in Mississippi, and has his own business as a health and wellness coordinator, working with schools, businesses, and the local government.

Megan loves art and crafts. She loves to draw, and she makes her own cards and bookmarks. She enjoys being around people and helping others. She is very upbeat gal and says that she believes a smile can change someone’s day. Drop in the Nursery and say hi to Megan, you will be glad you did.
