This Week’s Feature : Craig and Erin Jagels

Craig was born in Detroit, Michigan and grew up there and moved to Cleveland when he was young. He has one older brother, Kurt, in his family. After his graduation from Lutheran West high school, he continued his education at Ohio University. He earned a degree in Hospitality Management. He has built a career in the field of Corporate Business Travel.

Erin was born in Torrance, California and grew up there and also in Rockford, IL. She has one brother, CJ, in her family. After completing high school, she enrolled at the University of Iowa. Her majors were Communication Studies and English. Erin has held roles in public relations and events, and now works in the field of sales and marketing for a local damage restoration company.

They met at a work party in Denver in 2000. Erin and Craig have raised a family with 3 children. Jordyn, age 31, is married to wife Kylie and they live

in Lakewood. AJ, age 18, is a senior at Avon Lake High School. Grace, age 15, is a high school freshman at JVS. The family joined Prince of Peace in 2008 after they moved to the area from Colorado. Pastor Bishop did Grace's baptism when she was a baby.

Erin and Craig have been involved in important missions and have volunteered their time and talents here in many ways. Erin taught Sunday School, and ran Vacation Bible School for a handful of years. She served on the Anniversary Celebration Committee and the Call Committee. Craig has served as a member of the Church Council. Both are involved with OMNI and help with the Bluz Over Africa yearly fundraiser. They have answered God's call to serve both here in our community, and in distant places!

They love travel and music and watch and have traveled for a lot of hockey and lacrosse over the years! The family enjoys eating out and trying new places. One thing that folks at POP may not know is that while Erin was born in California, Craig in Detroit, and AJ in Denver, Grace is the only true Ohioan. They love Ireland, so they would love to travel there again. Their kids get "senior trips", so AJ is hoping for California and Grace will have a few years to decide.

The Jagels have been guided through life by the Holy Spirit. I'm glad to have learned more about this energetic family. They know that The Son shines and the Lord reigns! 😊
