This week's feature : Sean and Liz Lavin

Sean was born and grew up in Erie, PA. He has a younger brother and sister in his family. After high school, he continued his education at Asbury University and majored in Media Communications. His career is now focused in business development at Toppan Merrill. He took a territory from \$0 to \$2 million in revenue while working remotely.

Liz was born in Cleveland, and she grew up in Cleveland and Parma. Her family includes 3 younger sisters and 1 younger brother. Upon graduation from high school, she enrolled at Ohio University and earned a degree in Nursing. She is now working as an RN (certified RNC-NIC) in the Neonatal Intensive Care Unit for 17 years and counting.

Sean and Liz met through mutual friends - a coworker of Liz and friends that lived across the street from Sean when he lived in downtown Cleveland. They have 2 children, Kieran who is 6 years old, and Emery who is 5 years old. Sharing their Love as a family brings them much happiness!

They were looking for a church that would feel like a good fit for both of them. Sean was raised non-denominational and Liz was raised traditional Lutheran - making it difficult for them to find a church that felt right. They

drove by Prince of Peace one day and decided to try it out. They really enjoyed Pastor Bishop and felt very welcome. Since then they have welcomed their 2 beautiful children who have been baptized at POP. Pastor Charlie offered them first communion this year! They love attending Sunday School. I noticed Sean recently in the lower education wing and knew they would have a great story to tell.

Liz had been part of the monthly blood pressure team that served between services. She loves snuggling with the kids, traveling and reading. Her travel wishlist includes Paris/France, Italy, London, Bora Bora, and finishing her goal of visiting all 50 states. Sean enjoys music, film and firearms. Sean and Liz would love to visit Ireland and Scotland one day.

Liz loves being a mom! Seeing the world through their children's eyes and their faces lighting up when they go on fun adventures brings much happiness. She also used to do a little travel nursing. She had a brief stint in San Diego, CA and Nevada.

POP continues to attract young families with children that will continue our missions for many years into the future! A Bible verse that seems appropriate regarding this is “ All your children will be disciples of the Lord, I will make peace abound for your children.” Our church is founded on this eternal peace that will be found in heaven. Offer a sincere “Peace be with you” as you meet the Lavin family.
