

Members of Prince of Peace with Thrivent Financial products have generously designated Prince of Peace as the recipient of Thrivent Choice Dollars. Giving back has always been important to Thrivent Financial. Thrivent Choice Dollars are a way Thrivent allows its customers to help their local congregations. These funds are available to POP members to assist in fundraising efforts for the youth, outreach, special projects, etc.

Here is how Choice Dollars can assist your fundraising:

Thrivent Choice Dollars are made available to support fundraising activities through an application to the Finance Committee. The maximum grant allowed is 50% of the project in order to encourage a "matching" concept for fundraising. Applications should be made for projects that are consistent with the transformational nature of the mission of POP and are not for operating expense items. All applications will be considered on a case by case basis and awarded based on need and funds available. If you need to know what to include on your application please visit our website at www.princeofpeacewestlake.org or contact Charlie Koch, Treasurer.

Here is how Choice Dollars have already helped:

In 2015 Thrivent Choice Dollars have been awarded to support the sight saving medications for the OMNI mission trip (\$1,250); matching donations to the Second Harvest Food Bank (\$961); and assisting the Outreach Committee in obtaining the new Welcome signs (\$400). Previously some other projects they helped support were the open mic night (\$1,000); the building of the bus stop bench by Zach Dragony (\$250); a confirmation trip (\$2,000); and rebuilding the balcony walkway by the emergency exit in the Sanctuary (\$3,000).
