# COVID Directions – August 2021 Update

## COVID-19 UPDATE

Dear Members and Friends of Prince of Peace:

The news is always changing, isn't it? We have been dealing with COVID issues for nearly 18 months, and sometimes it feels like we take two steps forward and another one back.

Even though guidelines and information continue to change, our two guiding principles at Prince of Peace Lutheran Church remain the same:

1. To proclaim the Gospel of Jesus Christ in Word and Sacrament, carrying out God's mission as God leads.
2. To be mindful of the health and safety of all.

First of all, we offer these words of thanks.

- THANK YOU to all have been vaccinated. This is our best line of defense in addressing the virus.
- THANK YOU to all you parents who are making sure your kids are wearing masks, to keep them safe and healthy. Well done.
- THANK YOU to all of you who are wearing masks, vaccinated or not, out of care and concern for your neighbor and yourself.
- THANK YOU to those who join us for our live streaming services – either out of necessity or choice. You are a part of our worshipping family, and we are thankful for the resources to share the good news those outside of the bricks and mortar of our buildings.

We cannot tell you what to do. We will not turn people away at the door. ALL are welcome. That being said, we would encourage the following:

- If you are able to do so, get vaccinated. We ask that all our volunteers and staff are vaccinated to ensure their health and well-being as well as those they serve. We encourage you to do the same.
- We strongly encourage children to be masked, as well as all who come in contact with them in the church building.
- Masks are recommended for the times we gather in close quarters with each other. That includes the sanctuary.
- Communion will continue to be offered at the altar by Pastor Charlie and a communion assistant, both who are fully vaccinated. We will both be masked as you come forward. We will continue to offer individual pre-packaged cups for those who wish to commune using these.
- Musicians and singers will be located away from the congregation and will be masked – we will ask that the chairs be reserved only for the singers and band members at the 9 am service, while those gathered for worship sit in the pews.
- For groups meeting at the church, we encourage masks if any of those gathered are not vaccinated.

Please know this is one step forward. As other changes are possible, we will share them with you. As we move forward, let us remember that the concern is not just for ourselves, but for our neighbor as well.

If you have any questions or comments, please let us know.

## Worship Volunteer Survey

Dear Prince of Peace Members,

It is difficult to believe that we are heading into the Fall, the summer seems to fly by so quickly. As we prepare for Fall worship, we are in need of volunteers to help our services run smoothly. If you are willing and able to serve our congregation in this capacity, please complete the survey hyperlinked below. Our next volunteer schedule will begin in September, so please complete ASAP.

### Current Volunteers

Please also respond to the survey to verify that you are willing to continue to serve and in which capacity.

### New Volunteers

Please do not be intimidated by a role you are feeling called to do, you will be given guidance in the role(s) you select. If you find it doesn't work, no worries you can be removed from the list at any time. When scheduling we survey to learn dates that don't work and typically assign for a few months at a time. We try to send reminders the week of serving. For most positions you will be assigned about once every month or two, depending on the number of volunteers.

Thank you for your prayerful consideration! [Worship Volunteer Survey](#)
