

Sign Up to Join Us for In-Person Worship Service ~ This Sunday, August 30, 2020

Hello members of Prince of Peace,

In this ever changing world we try our best to create a safe environment for all. Prince of Peace is following all health guidelines directed by our Governor and The Ohio Department of Health. Cuyahoga County is still marked as a Level 3 Red Alert, meaning that Cuyahoga has hit 4-5 of DeWine's risk indicators. Due to continuing in the Red Zone, beginning on July 17th, face masks are now required by all to be worn in public areas.

We understand that these times are hard and that many people have yet to feel comfortable being in a group setting, however for anyone who does feel comfortable returning, we hope to see you this **Sunday, August 30th** for our one, in-person service at 10:00 am. Our at-risk members are still encouraged to participate through digital worship until they are comfortable worshipping in-person. There will be a limited number of "family groups" in the sanctuary so we can maintain social-distancing (a family group is 1 to 5 people).

If you will be attending in-person worship service on Sunday, for the health and safety of all our members, please exit the building immediately after service. If you would like to catch up with friends afterwards, please do so outside. While on Prince of Peace property, everyone must maintain 6 feet of social distancing and wear face masks.

RESERVATIONS: There are 19 family group spots on [SignUpGenius](#). Sign-ups are available through **Thursday, August 27 at 11:59 pm**. A family group ranges from 1-5 people. If a family group has more than five, that family will need to reserve two different family group spots to cover their whole family. Please make sure to check that the date you are signing up for is **August 30th**. 1) Scroll down to date **08/30/2020**. 2) Click the box that says "Sign Up", a check mark should indicate that it has been chosen. 3) Once box is marked, click "Submit and Sign Up" button 4) Fill in you First and Last name, and in the comment box with the number of people you plan to attend, and if you need specific seating due to hard of hearing/vision, or preference. 5) Once everything is filled in click "Sign Up Now".

*If you have any complications or questions please call the church office. If no one can pick up the phone at the time of your call, please leave a message and we will get back to you as soon as we can.

Phone Reservations: For those who do not have access to a computer or smartphone there are five family group spots available for reservations by phone. To reserve your spot please call the office at 440/871-5565. Please leave a voicemail with your groups first and last name, the total amount of people in your group, and your phone number (so we can call back and verify your reservation was received, or to let you know that all the call reservations have been filled).

This Sunday, worship with us online! Please visit our [website](#) where you will find the Sunday Bulletin, music, prayers and Pr. Tom's Sunday sermon.

For those who prefer to worship earlier, our online worship service will now be available on Sundays at 8:00 am.

Volunteers Needed!

We are looking for people who are willing to contact members who have not attended either in-person Sunday services or our Sunday at 7 gatherings. We want them to know that their church family is thinking of them and that we miss seeing them. If you would be willing to make some calls, please contact Judy Kazak at judykazak@yahoo.com or 440-476-6318.

Let's Stay Connected!

Hello Prince of Peace Members,

Due to COVID-19 it has been harder to see and communicate with fellow members, especially when addresses, emails, and phone numbers change. With Prince of Peace being open again, we are so glad to see members coming together (safely), to be able to worship together. However, we completely understand that right now, choosing to worship from home is the best option for some people/families. As we continue to wait for what the future holds, we would like to encourage you to stay connected with fellow members. Whether that be through a phone call, text, email, or writing a letter.

Please use this link with the [updated directory info](#). Please use this information only to contact one another. For a quicker way to have access to the complete directory, you can download the Universal Church Directory on your phone. This app allows you to view members information, with photos (if families have included one).

Use this link which explains [what you need to do in order to work the app](#). Each family has a specific access code that is specified only to them. This access code will be needed in order to login to the app and identify who you are. We would also like to encourage members to send in an updated photo to include in the Universal Church Directory.

To obtain your access code, send in a picture, or give any updated contact information, email popw.officemanager@gmail.com

Profile Communications

I don't know about you, but in this current lock down due to Covid 19, I find myself really missing the interaction of my friends from church. I miss going to church, I miss the coffee and conversation after the service, and I miss you.

This is a time when we can't get together often, but it is a time when we need to hear from each other. We do have church restarted, but it is limited. We do have the Sunday night parking lot get-togethers, and Judy is still coordinating member visits. But I think this spot in the newsletter might be best served if we don't do profiles right now, but we hear from you. I want you folks to write a short note and email it along with a photo to Mary Humer princeofpeacewestlake@gmail.com, and she will put it in this space in the newsletter. Write it as if you are talking to your friends here at church. Tell us how you are holding up, what you are doing to keep busy, what things do you miss, what are you thankful for, and how you came to know Jesus Christ. I will start with my Profile Communication.

Profile Communication - Dick Hardy

I got back from my winter in Tucson in May, and self-quarantined for two weeks. I now have resumed working for Habitat for Humanity one day a week, wearing a mask, of course. I am excited to tell you that, with the help of some great coaches, I was able to organize and hold a five-day tennis camp for High School Tennis players. The camp was sponsored by the Fellowship of Christian Athletes and the Northeast Ohio United States Tennis Association. Tennis is a sport that naturally allows the athletes to social distance. Each day the young athletes were coached on their tennis skills by two USTA hall-of-fame coaches in the Cleveland area. And, each day we had a speaker share a faith message about the saving grace of Jesus Christ. This is a first in the Cleveland area, and a dream-come-true for me personally.

I continue as the church Financial Secretary, with the help of wonderful church members, and I participate in the POP Men's Bible study each Monday night. I grew up Lutheran. My grandfather was a Lutheran Minister and Teaching Theologian. But, I have to admit that church, and faith seemed more academic rather than personal. I knew the stories and Bible verses, but I didn't have a close personal relationship with my Lord. I have friends who know the exact date and time they came to accept Jesus as their personal savior. I think that is wonderful, but my story is more of a journey. That personal journey started with my wife, Ilene, who taught me how to pray. I continued when I lost Ilene to Leukemia three years ago. Over time I came to understand and know that Jesus is present in my life, every day, guiding, pulling and correcting. And this journey continues in the back nine of my life, if I am allowed to use a golf metaphor. In this time of change, I am thankful for friends; I am thankful for my best buddy, Petey; and I am thankful for the wonderful blessing of giving back, and thankful that the Lord continues to open doors for me to do so.
