A Message from Pastor Doug

PoP Brothers and Sisters in Christ,

A few people have asked me in recent weeks why we're beginning each worship with a Thanksgiving for Baptism instead of a confession and forgiveness.

Many Lutheran congregations including POP use a worship resource called "Sundays and Seasons" to help shape our worship. This resource gives us direction for prayers, songs, and liturgy.

During the season of Easter, "Sundays and Seasons" recommends beginning each worship with a Thanksgiving for Baptism. After all, the entire season of Easter (and one could argue every Sabbath gathering) is meant to be a celebration of the resurrection: of the moment when Christ insist that love and grace and mercy will forever win out.

So when we take time to during worship to give thanks for our baptism, we give thanks that God had you and I in mind when triumphing over sin and death. We give thanks for the opportunity to experience during our weekly praising of God to remember the moment when God raised us up to new life in the waters of baptism as a tangible reenactment of the resurrection.

The baptismal waters of hope and new life never stop flowing within and around us. During these weekends of Easter, remember, you are Go'ds child, loved by Jesus Christ and empowered with the Holy Spirit now and forever .

Thanks be to God, Pastor Doug

Women in Transition

We are looking for a new coordinator for the Women in Transition Program. This is a non-profit organization that assists women re-entering the community who are being trained in culinary arts through Chopping for Change. Jan Filkill has lovingly collected and delivered donations for the past 25 years and is asking for someone to take over this much needed and greatly appreciated ministry. Requested items are collected year-round at Prince of Peace in the upper level and delivered to LMM as needed. One person can handle it, two may make it more fun. Jan has offered to have the new coordinator ride along with her for the next delivery. If this sounds like something you would like to do, please contact Beth Comnick at bcomnick@outlook.com Thank you!

Peace Pavilion Project and Capital Campaign

Progress, Gratitude, and the Final Push

Introduction

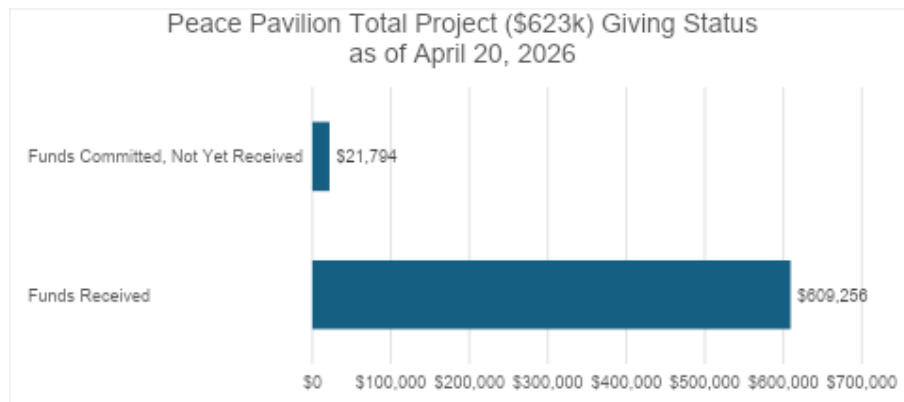

The Peace Pavilion Project that we completed last year stands as a testament to our congregation's vision, generosity, and enduring commitment to creating a space for peace, reflection, and collective spiritual growth. What a wonderful example of abundance and engagement. **THANK YOU!**

Giving Progress and Loan Payment Progress

Nearing Completion of Financing: Recall that our total capital spending for the Peace Pavilion is \$623,000 including our estimate of financing charges. As of April 20th, our total giving for the Peace Pavilion is just over \$609,000 or about 98% of the total. We have \$22,000 outstanding pledges that if collected would help us exceed our target by \$8,000.

We have two key points to highlight in this update:

1. **If you have an outstanding pledge, we kindly ask that you consider giving prior to June 30th.** The reason for this "ask" is that we have one opportunity each twelve months to reduce our loan principal. Our next opportunity for this payment is in July and we could be in a position to pay off our entire loan balance if a sufficient level of additional giving is realized. Currently, we have loan principal balance of about \$138,000 and cash on hand of just under \$120,000.
2. **If we do exceed our \$623,000 capital goal, we plan to deploy excess funds into the building fund.** This is due to the Peace Pavilion becoming part of our overall campus with ongoing maintenance managed as the responsibility of the broader facility maintenance scope.

The Peace Pavilion now stands as a living monument to what we can achieve together. As we move forward, let us celebrate how far we've come and remain focused on finishing strong.

THANK YOU for your steadfast support, your belief in our vision, and your commitment to leaving a legacy of peace.

In His service,

The Peace Pavilion Committee

Prince of Peace Helping Transform Houses into Homes

As you may have seen in our last edition of *Seeds*, LMM celebrated the opening of our first solar housing units with a ribbon cutting ceremony on November 18th. While it was a momentous occasion honoring LMM's commitment to providing affordable housing solutions, there was still plenty of work to be done to prepare these units for welcoming their first residents.

Each of the four units needed to be furnished and stocked with other essential household items. In typical LMM fashion, one of our faith partners answered the call and committed to transforming these houses into *homes*. During the month of January, Prince of Peace Lutheran Church in Westlake organized a fundraiser to support the solar housing project.

LMM board member and (recently retired) Senior Pastor at Prince of Peace, Rev. Charlie Woodward said the project came together after he attended the ribbon cutting ceremony for the solar homes and he shared the exciting news of the project with the congregation. Members of the congregation were interested in learning more about how they could support the project and inquired about helping to furnish the units. Pastor Woodward then connected with LMM's Associate Director of Housing and Shelter, Claire Billingsley, who put together a list of items like furnishings, kitchen items, bed sheets, and towels.

Pastor Charlie took this list back to Prince of Peace's Engagement Team and they got to work. They took the list of much needed household items and created 70 tags, each with a specific item listed on them, and the tags were displayed in the church for everyone to see. The members and friends of Prince of Peace were encouraged to take a tag, write a check or put money into a marked envelope with the tag and turn it back into the church.

The goal was to raise \$3,500 from the fundraiser and on top of that, a request was made for matching funds up to \$3,500 from Prince of Peace's Endowment Fund. Members of the congregation quickly blew past that goal and, combined with

the endowment match, Prince of Peace donated \$8,633 which helped purchase all the household items requested.

On February 22nd, LMM President and CEO Maria Foschia was invited out to Prince of Peace for a presentation of the donation check and to celebrate Pastor Charlie's final service before his retirement. The day was an amazing celebration of both the completion of the project and Pastor Woodward's thirty-six years of dedicated service.

Reflecting on the fundraising project, Pastor Woodward said, *"In the grand scheme of things, \$8,600 is not a large amount of money when compared to the overall LMM budget. But what IS important is to get the congregation members engaged in being a part of the ministry. It's more than an annual gift or check in the mail, it is about being the body of Christ in the world – God's Work with Our Hands."*

LMM's Board of Directors and staff would like to congratulate Pastor Woodward on his retirement and sincerely thank Prince of Peace for their generous donation supporting our neighbors in need as they move into their new homes.

In his final note on the project, Pastor Charlie invoked the words of Martin Luther, saying *"God doesn't need your good works, but your neighbor does. Our new neighbors on Luther Street are exactly what he was talking about!"* We could not agree with him more!

If you are feeling inspired by that message and your organization or congregation is interested in learning more about how you can host a fundraiser or volunteer to support LMM, please contact Brian Sturgeon, Director of Individual Giving, at bsturgeon@lutheranmetro.org.
