## Pastor's Blog ~ 'Along the Way'

A Daily Devotional / BLOG from Pastor Charlie Woodward

Back in March of 2020, when COVID came into our lives, I started a daily devotional as an opportunity to keep connected to my congregation with scripture and reflections and prayer. It became therapeutic for me and well received. I continued those devotions for over a year over 380 devotions!

Pastor's Blog  
ALONG THE WAY

In March of 2021, I moved to a new church. It was important for me to take time to get settled in before taking on this task. I put the daily devotions aside, and spent my time and energy learning the ropes at the new place.

Seven months into the new call here at Prince of Peace Lutheran Church in Westlake, we are settled in. I felt it was now time to start again.

The title of the Blog is "Along the Way." Faith is a journey. It is a journey we do not make alone. We do it in community with God and each other. My hope is that this can be one way we can join in this journey together. I hope that as we continue down this path, some of you may share some reflections as well. That would be welcomed!

For the content, I will be sharing the readings for the coming Sunday as well as a couple of hymns or songs as the focus for the daily devotions. Please know that it is very possible that you may hear stories or insights used in these devotions in the Sunday worship sermon. Also, if you have read my devotions in the past, it is pretty likely that you will see some stories that you've seen before. Good stories deserve to be repeated.

I hope this daily blog provides you an opportunity to join me reading some scripture, sharing a reflection or two, and offering a short prayer. Please feel free to share them with others, and I always welcome your comments and insights. You can email me at [pcpopwestlake@gmail.com](mailto:pcpopwestlake@gmail.com) any time.

Using the Revised Common Lectionary, the week's devotions will look like this:

- Monday – Old Testament Lesson
- Tuesday – Psalm
- Wednesday – Song or Hymn or Video
- Thursday – Epistle Lesson
- Friday – Gospel Lesson
- Saturday – Song or Hymn or Video
- Sunday – An invitation to join us for worship

The first devotion will be available on Monday, November 29. It will be for the week leading up to Advent 2, which falls on December 5, 2021.

I hope you will join me along the way!

Peace, Pastor Charlie

## The Season of Advent - Volunteers Needed

In the Scandinavian Lutheran tradition candles are lit every day during the season of Advent, not just on Sundays. Again, this year, we are looking for 23 volunteers to make a very brief video of someone/themselves in their home lighting a candle and reciting a very short prayer/reading. It does not need to be a candle in an Advent wreath. However, if you don't own an Advent wreath and would like to make your own, we've attached a [LINK](#) to a site with some creative ideas.

You will be provided with the reading for your day but should feel free to substitute your own if you prefer. Just keep it short. If you have children in your home, it would be nice to involve them. We would like to see as many familiar faces as possible. We will be posting the videos daily on our FB page. If you are interested, please [SIGN UP HERE](#)

## Time and Talent

Prince of Peace Lutheran Church

In the old hymnal, we had this offering prayer:

Merciful Father, we offer with joy and thanksgiving what you have first given us - our selves, our time and our possessions, signs of your gracious love. Receive them for the sake of him who offered himself for us, Jesus Christ our Lord. Amen (LBW page 87)

Our time and talents are gifts given by God that we can use to give back to God what God has first given us.

I invite you to join in filling out the [Time and Talent Survey](#). A booklet describing our outreach and service opportunities can be found here on our [Engagement Page](#). Take time to look through the many ways to serve and get involved. Your gifts, your time and your talents are always welcomed and appreciated.

I encourage you to consider this as a goal - WORSHIP PLUS TWO. I hope you will make every effort to join in worship either in person online every Sunday. I also encourage you to get involved in two other areas of ministry and service. It could be worship leadership (reading, greeting, ushering, choir, assisting minister, altar guild, etc.), education (leading and/or participating), service or fellowship. Find a way to get engaged in the life and ministry of Prince of Peace. My hope is that everyone would participate in two (or more!) areas of ministry and service. Where is God calling you to join in?

The church is not a building - it is a gathering of people who are joined together in the mission of Jesus Christ. Our mission at Prince of Peace is to Grow in Faith, Serve in Love, and Live in Peace. You are invited. All are welcome.

Thank you for joining with me in this mission. Together with God leading the way, we can do great things. Pastor Charlie

# November 2021 Health and Safety Update

Dear Members and Friends of Prince of Peace Lutheran Church:

On November 1, we had the opportunity to meet with our Health and Safety Team. Once again, we discussed the current issues surrounding the COVID19 Pandemic and the hopeful news that a vaccine is now available for children ages 5 to 11 years old. There is hope that we are heading in the right direction, even though it might not be as quickly as we had all hoped. Let's continue what we are doing, and we will get through this together.

## COVID-19 UPDATE

We share again that our two guiding principles at Prince of Peace Lutheran Church remain the same:

1. To proclaim the Gospel of Jesus Christ in Word and Sacrament, carrying out God's mission as God leads.
2. To be mindful of the health and safety of all.

We will continue to monitor the CDC guidelines, and we plan to meet again in early December to review where things stand in our community.

So for right now, things remain the same. We continue to encourage the following:

- If you are able to do so, get vaccinated. We ask that all our volunteers and staff are vaccinated to ensure their health and well-being as well as those they serve. We encourage you to do the same.
- If a booster shot is recommended for you, consider that as another level of safety.
- Get a flu shot. Dave Covell suggests ANY time is a good time to get the flu shot. That being said, you may consider getting your shot in early November, as it will provide good defense against the flu during the holiday season and into the new year.
- Masks are recommended for the times we gather in close quarters with each other. That includes the sanctuary.
- For the time being the nursery will remain closed. That should not discourage parents from bringing their children to worship. As baptized children of God, that is where they should be!
- Online options are available for worship and many of the education offerings to provide participation remotely.

Thank you for your diligence and care for your neighbor.

If you have any questions or comments, please let us know.
